

Remote Site Registration

Thank you for taking the time to register your remote site with LifeMed Alaska. In the event of an emergency, this information will help LifeMed dispatchers direct the appropriate emergency responders to your remote location. LifeMed will maintain this information in confidence, and will only share it with other emergency services as needed in the event of an emergency.

--	---

Please use the reverse side to diagram your property, and detail any special medical needs of the occupants.

DIAGRAM OF PROPERTY:

LifeMed helicopters need a landing area approximately 75' x 75'. The area should be open (no large trees, towers on the approach, and no trees, fences, signs, etc. taller than 3-4 feet), reasonably level (less than 6 degrees of slope) and free of obstacles (hidden stumps, fallen trees, boulders). Please diagram your landing zone below, showing nearby buildings and obstacles, and any roads, waterways, and major landmarks.

Are there any occupants with special medical needs or devices?

Please return this form to LifeMed Alaska by fax at 907.563.6636, email at info@lifemedalaska.com, or mail to P.O. Box 190026, Anchorage, AK 99519.

Questions? Call 907.563.6633 (non-emergency number, for questions only).
