**IN AN INSTANT,
LIFE CAN TAKE A TURN...**

- A hunter has heart attack symptoms in a remote sheep camp.
- A car crash with injuries closes down the Glenn Highway.
- A newborn in Fairbanks needs to be transported to a neonatal ICU.
- Two snowmachiners collide at Hatcher Pass.
- A burn victim needs treatment at the burn center in Washington.
- A man is mauled by a bear near Slana.

These are just a few examples of the types of calls we receive every day at LifeMed Alaska.

TERMS AND CONDITIONS

I understand and agree to the following terms and conditions of the LifeMed Alaska Membership, hereinafter referred to as "Membership":

1. Membership applies to me (the Primary Member), my spouse or domestic partner, and any children living in my household all of whom who are covered by an insurance product which includes air and ground medical transport benefits, as listed on the Membership Enrollment Form.
2. The Membership is considered an insurance product in the State of Alaska.
3. I have air and ground medical transport benefits with an insurance company as indicated on the Membership Enrollment Form. I agree to notify LifeMed Alaska within five business days of any change in my insurance or the insurance of any other household members enrolled in the Membership.
4. If I receive medical transportation from LifeMed Alaska, LifeMed Alaska will bill my insurance or other responsible third party payer. Membership is secondary to insurance or coverage provided by another third party payer. LifeMed Alaska will accept the amount paid by my insurance or third party payer for any medically-necessary transport as payment in full.
5. When LifeMed Alaska provides medical transportation, it provides value to me and incurs cost for itself. I hereby assign directly to LifeMed Alaska all rights to insurance or other payer payments that are due to me in order to compensate LifeMed Alaska for the cost it incurs in providing the medical transportation service on my behalf. I will provide to LifeMed Alaska, my insurance provider or third party payer, any and all requested information necessary to process my claim. I agree to turn over any payment(s) sent to me by my insurance or third party payer for a LifeMed Alaska medical transport within ten days of receiving payment.
6. Per government regulations, individuals covered only by Medicaid are not eligible and may not apply. LifeMed Alaska reserves the right to decline acceptance of anyone into the Membership program; however, once LifeMed Alaska receives the fully completed Membership Enrollment Form, my Membership benefits will be effective immediately following receipt unless LifeMed Alaska notifies me within 30 days that my application has not been accepted.
7. The Membership enrollment period is for one year from the date the Membership Enrollment Form is received by LifeMed Alaska. Membership benefits will automatically expire at the end of my enrollment period unless my Membership is updated with current insurance and household information and received by LifeMed Alaska within 14 days after expiration of my enrollment period. I understand that if I or a member of my household is transported by LifeMed Alaska and my Membership has expired, the Membership benefits will not

TERMS AND CONDITIONS *continued*

apply to the transport and I will be responsible for any related costs not covered by my insurance or third-party payer.

8. A household is defined as the Primary Member, spouse or domestic partner, and dependent children who reside at the same physical residence. In order for my Membership to apply to anyone who joins my household after the Membership goes into effect, I must first update my online Membership account or provide LifeMed Alaska with written notice of the new household members' name, date of birth, relationship to me, and primary insurance information. Membership for any household members that I add will not become effective until I either update my online membership account or notify Membership Services in writing of the addition. Newborns are automatically LifeMed Alaska members but require notification to LifeMed Alaska within 30 days from the date of birth to continue coverage.
9. Membership applies to any transport determined to be medically-necessary by a physician or medical professional. Medical transports are based on medical need, not membership status, and transport will be made to the closest, medically appropriate facility as requested by a physician or medical professional. I am responsible for the cost of any transports that are determined not medically necessary.
10. Air medical transport service by LifeMed Alaska cannot be guaranteed due to weather conditions, geographic restraints or commitment to another patient transport.
11. I understand that I will not receive benefits of the Membership program if transportation is made by an air ambulance company other than LifeMed Alaska.
12. Membership applies to ground ambulances operated by LifeMed Alaska for transportation between the aircraft and hospital, and when transfer between medical facilities is necessary. I understand that I will not receive benefits of the Membership program if ground transportation is provided by a company other than LifeMed Alaska.
13. Memberships are non-transferable.
14. In the event LifeMed Alaska is compelled to institute action to enforce the Terms and Conditions of the Membership, I will be liable for attorneys' fees, collection costs, interest at the statutory rate and all other costs and expenses which may be incurred.

I certify that I am the individual applying as the Primary Member and that I am 18 years of age or older. I am the legal representative of my household members and am authorized to enroll and accept these Terms and Conditions on their behalf. I acknowledge and agree to these Terms and Conditions with my submission of the Membership Enrollment Form.

FREE MEDEVAC MEMBERSHIP

We're on the Way
RESPONSE | SAFETY | EXPERTISE

FREE MEMBERSHIP Each year, thousands of Alaskans find themselves in health situations that require emergency medical transportation, and LifeMed Alaska is there by air and ground. Whether you live, work or play in Alaska, we are proud to offer the **LifeMed Alaska Membership** – a free medevac membership program.

Alaska offers some amazing opportunities – but when an illness or accident strikes, medical care is not always nearby or easy to get to. Between our geographically remote locations, limited road systems, recreational pursuits and aging population, air ambulance transportation is just a fact of life in Alaska.

Why Become a Member?

Lifesaving medical transportation is expensive and your health insurance may not cover the entire bill. The LifeMed Alaska Membership covers all costs related to an air or ground ambulance transport that are not covered by insurance, as long as you are transported by LifeMed Alaska. We work directly with your insurance company to process claims and will accept reimbursement from your insurance company as payment-in-full. **The best part: membership is free.**

Coverage Guidelines

With the LifeMed Alaska Membership, you and your household are covered as long as the air or ground ambulance transport:

- ✓ is performed by LifeMed Alaska,
- ✓ originates in Alaska or Northwest Canada, and
- ✓ is deemed medically-necessary and covered by your health insurance provider.

All members must be covered by a health insurance product that includes air and ground medical transportation benefits.

Non-Resident Membership

The LifeMed Alaska Membership is also available to non-residents who work or vacation in Alaska. As long as your medically-necessary transport is performed by LifeMed Alaska and meets the above guidelines, you are covered!

Enroll Today

It's easy to enroll, and we offer three different ways:

1. Complete the attached form and drop in the mail.
2. Enroll online at lifemedalaska.com/membership.
3. Call us at 855-907-LIFE (5433) or 907-249-8358, M-F, 8 a.m.-5 p.m. AST.

About LifeMed Alaska

LifeMed Alaska provides safe, full-scope air medical transport services throughout Alaska to critically ill or injured infants, children and adults utilizing Learjets, turbo-props and helicopters.

Highly-skilled nurses and paramedics deliver full resuscitative capabilities for virtually any patient condition and are certified to handle everything from advanced cardiac life support to neonatal resuscitation.

LifeMed Alaska meets and exceeds all standards of patient care and safety for air and ground medical transport services and is accredited by the Commission on Accreditation of Medical Transport Services.

FAA Part 135 aviation services, pilots and mechanics are provided by Aero Air, Air Methods and Grant Aviation.
